

Official Compilation of Older Americans Act as Amended in 2000 Now Online in U.S. Code

Following passage of the Older Americans Act 2000 Amendments, TCSG compiled an “unofficial” version of the Act as amended. This was available on our web site during the extended period when there was no official consolidation. The official version is now available in the U.S. code, and can be accessed through several sections of our web site --

- Go to <http://www.tcsg.org/lspdpage.htm> and scroll down to “*Older Americans Act Information & Links*” where you’ll be able to click on the “official version” link, as well as access other relevant information; or,
- Go to <http://www.tcsg.org/oa/reauth.htm> the “*Reauthorization of the Older Americans Act*” section where you will also find historical information on the OAA and the passage of the 2000 Amendments.
